COMMITMENT TO CHARITY

Our commitment to giving back is central to our mission. We are deeply passionate about supporting the communities we serve, and our charitable initiatives are a vital part of our corporate values. In 2024, we dedicated ourselves to raising funds at every event in support of impactful organizations such as AISES, the Community Foundation of San Carlos, the Make-A-Wish Foundation, and the American Red Cross Relief Fund in honor of those affected by Hurricanes Milton and Helene. Each year, we strive to exceed our previous year's contributions, continuously expanding our efforts to build awareness for critical causes.

Operating on a mission to bridge the digital divide and empower future STEM initiatives, **we focus on creating opportunities** for underrepresented groups. Through strategic partnerships and targeted contributions, we aim to drive lasting change in the communities we serve and make a tangible difference in everything we do.

FUNDRAISING GOAL

As part of our 2025 community outreach efforts, we are proud to host the TPC Charity Golf Tournament to raise essential funds for **Phoenix Children's**. As a company headquartered in Arizona, we are fully committed to supporting and giving back to our local community. To maximize participation and impact, we have secured the entire TPC course for the day, enabling a larger number of attendees to engage with this vital cause. Additionally, we are flying in our North America team to ensure that, alongside our community partners, we are doing everything possible to raise significant funds for Phoenix Children's critical mission. This united effort will culminate in a celebratory dinner at DraftKings, where we will proudly announce the total amount raised.

Thank you for your consideration.
